

## 1<sup>st</sup> ICHP-PH 2024 ORAL PRESENTATION GUIDELINES

All oral presentations at The 1<sup>st</sup> ICHP-PH 2024 must follow these rules.

1. **Language** : The presentation must be written and presented in British English or American English.
2. **Content** : The presentation should include the following slides
  - a. Title Slide (Title, Authors & Affiliations)
  - b. Background
  - c. Aims/Objectives
  - d. Methodology
  - e. Findings
  - f. Conclusions
  - g. References.
3. **Visuals** : Images, tables, charts, and embedded photos are permitted. Links to external web services (e.g., Youtube) should be avoided.
4. **Duration** : Presentations must be delivered in a maximum of 15 minutes (including discussion and transitions). Presenters are expected to be ready and on time.
5. **Submission** : Presentation materials must be uploaded by October 2<sup>nd</sup>, 2024, 12:00 PM Makassar time, to <https://11nk.dev/File-Presentation-ICHPPH2024>
6. **File Naming** : Files must be named "submissionID.ppt" or "submissionID.pdf". Submission ID is the submission ID number you received upon submitting your abstract.
7. **Aspect Ratio** : Presentations must be formatted for a 16:9 aspect ratio (1,920 x 1,080 pixels) with a maximum 5 MB file size.

### Notes:

Failure to submit presentation materials will result in disqualification and exclusion of the paper from the proceedings.
